

CEILING MOUNTING: ACCENT BAFFLES

APPLICATION

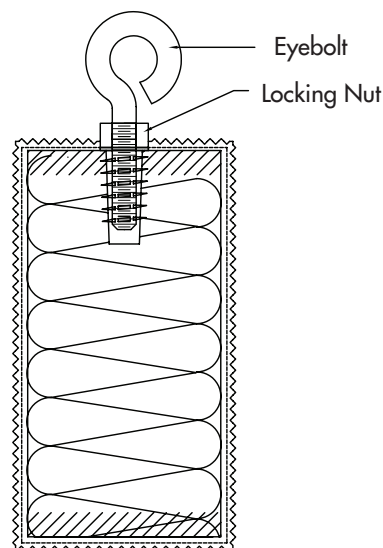

For ceiling mounting Accent Baffles.

DESCRIPTION

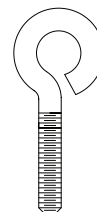

This installation uses a threaded eye bolt fastened to a factory installed EZ-lock insert. Installation is as follows:

1. Note the locations of the factory installed threaded inserts for wire/cable locations (by others).
2. Thread G&S supplied nut on to the G&S supplied eyebolt.
3. Thread eyebolt into the threaded insert and tighten, locking into place with the G&S supplied locking nut.
4. Hang Accent Baffles from wire/chain (supplied by others).
