

CLASSIC CEILING PANELS (CC)

G&S Acoustics' Classic ceiling panels offer an **inexpensive, classic white and black textured finish** that resembles painted drywall. Giving the appearance of white or black ceiling panels without the additional cost of paint or fabric, Classic ceiling panels are covered on the face and all of the edges for a completely finished look. Classic ceiling panels are only available with a textured white or black finish. Sheared edges are available for lay-in ceiling tile. An optional foil backing is available.

Other products available with a Classic white and black textured finish:

Classic Wall Panels
Serenade Classic Clouds

CORE

Backing: 6-7 pcf fiberglass,
1" or 2" thick
