

# CLASSIC CEILING PANELS (C-CP)

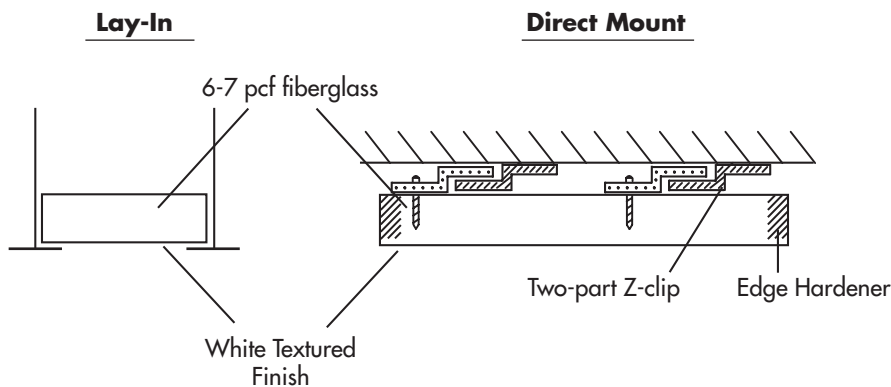

G&S Acoustics' Classic ceiling panels offer an **inexpensive, classic white textured finish** that resembles painted drywall. Giving the appearance of white ceiling panels without the additional cost of paint or fabric, Classic ceiling panels are covered on the face and all of the edges for a completely finished look. Classic ceiling panels are only available with a textured white finish.

Sheared edges are available for lay-in ceiling tile. An optional foil backing is available.

## Other products available with a Classic white textured finish:

- Classic Plus Wall Panels
- Classic Plus Ceiling Panels
- Classic Wall Panels
- Serenade Classic Clouds
