

CLASSIC PLUS CEILING PANELS (CPC)

G&S Acoustics' Classic Plus Ceiling Panels offer a **durable core** with an **inexpensive, classic white textured finish** that resembles painted drywall. Classic Plus ceiling panels are only available with a textured white finish.

Classic Plus ceiling panels give the appearance of white ceiling panels without the additional cost of paint or fabric covering. The panels are covered on the face and all of the edges for a completely finished appearance.

Sheared edges are available for lay-in ceiling tile. An optional foil backing is available.

Other products available with a Classic white textured finish:

- Classic Plus Wall Panels
- Classic Wall Panels
- Classic Ceiling Panels
- Serenade Classic Clouds
